

Information Booklet. Season 2013-14

Message from the Committee.

Welcome to another season with Brownhills Community Colts FC.

First of all thank you for joining our club and we sincerely hope you all have a very enjoyable and successful season.

As you know we at BCCFC pride ourselves at being at the forefront of junior football and we cannot do this without your support.

Your support at match-days and training, bringing your child on time and well turned out are the start of creating our leading impression.

However there is a lot more we can do to further our reputation. The information attached is extremely important for you all to read and understand. They highlight the standards that we work by and also those to which we are bound by from the Football Association and our relevant league administrators.

Please read these carefully and abide by them at all times. We are all volunteers and are doing this for the enjoyment of all the players, managers, supporters and officials so the adherence of these rules will only add to the enjoyment.

Last year saw an improvement in our disciplinary record both on and off the field, but we still need to improve on this situation. The club are responsible for the behaviour of parents as well as players and we are well aware that a small minority of people cause the problems. Please respect the decisions made by all players and officials.

On a more positive note teams have been successful both on and off the field, which we want to continue to build upon this year.

This can only be done with your full support.

Regular communication with your manager and the club is important to keep up to date with all the clubs developments over the coming season. If they don't tell you anything, please ASK!! To improve this there are two forms that you are required to complete inside the booklet and return to the club via your manager or direct if preferred. If you have an e-mail account and wish direct information please indicate. There is also a parental questionnaire on the back page, which we hope you will take the time to complete and return to the address specified.

This year we will make a renewed effort to organise social events which again are an effort to bring all areas of the club together. It is surprising how much you can enjoy yourself at these events and also learn more about what's going on at the same time. Support at these events is essential in order for us to raise necessary funds to keep teams playing and not result in having to increase the standard subscriptions paid by the players each week.

We are renowned for providing the best possible facilities for all our teams to use, with opponents and officials positively commenting on this each season.

If you have any suggestions to make on any of the information enclosed and also social events that would appeal to you please contact your team manager or any of the Management Committee listed on the inside back page.

Have a very enjoyable and successful season.

Yours In Sport
Dave Fenton.

The Child Welfare Policy of Brownhills Community Colts Football Club.

This policy outlines the recognition of Brownhills Community Colts Football Club with regards to the protection of Children whilst in the pursuit of Junior League Football activities.

The Club recognises its responsibilities in the understanding and implementation of the Football Association Child Protection Policy and the obligations it entails.

Clear practices and procedures are to be adopted in line with the FA policy, which Brownhills Community Colts fully support.

These policies and procedures are outlined in the Football Association Child Welfare Policy issued May 2000 and updates as they are issued.

The aims of the Child Welfare policy are:

1. To Develop a Positive and Pro active position in order to best protect all children and young people who play football, enabling them to participate in an enjoyable and safe environment.
2. To deliver quality assured child protection training for all club members and officials through approved FA training courses.
3. To demonstrate best practice in the area of Child Welfare.
4. To promote ethics and high standards through football.

The key principles of this policy are:

1. The child's welfare is, and must always be the paramount consideration.
2. All children and young people have a right to be protected from abuse regardless of gender, age, disability, culture, language, racial origin, religious belief or sexual identity.
3. All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.

The process by which Child Welfare issues are dealt with are adopted from the policies and procedures outlined by the football association. A Child Welfare Officer is appointed by the club to deal with all matters appertaining to Child protection and will be trained in accordance with the FA requirements for such a position.

All issues which are recognised by any club official, as being of a child protection nature are to be reported to the child protection officer who will then instigate the actions as outlined by the Football Association Policy.

All issues of this nature will be treated in the utmost confidence and must not be disclosed to any person or body without the agreement or request of the Child Welfare Officer.

The term 'offence' shall mean any one or more of the offences outlined in the schedule 1 of the Children and young persons Act 1993 and any other criminal offence which reasonably causes the Football Association to believe that the person accused of the offence poses or may pose a risk of harm to a child or young person.

Football Tour Policy

1. If more than one team intends participating in the Tour, a committee should be formed. The committee should consist of one or more representatives from each team, plus an independent representative from the club. Ie General Secretary/ Treasurer / Chairman.
2. Details of Tour or tournament should be obtained from two tour operators, most tournaments abroad can be arranged be most reputable sports tour operators which give a choice of price and package.
3. When committee has reached agreement, a parents meeting should be arranged, at which point details of choice of venue, price for players and price for supporters should be discussed.
4. At the above meeting it should be made clear to players and parents alike the cost of the trip, fund raising activities and none refundable deposits requirements.
5. Managers should familiarise themselves with the tour / competition rules as soon as possible paying particular attention to venues and Age groups, understanding that at present age bands are different in Continental Europe and USA than they are in UK
6. A programme of fund raising events should be discussed and agreed by the Sub-committee, these events should be approved by club, and should not detract from club events.
7. Where possible an estimate of monies each event will raise should be calculated and presented at parents meeting.
8. Committee needs to assess cost of trip versus anticipated monies raised to determine how much each player contributes towards trip.
9. *Suggested method of calculation.* There are various fund raising events, which can contribute towards the payment. Ie Penalty shoot-out, sleepover, race nights, supermarket bag-packs etc. If the cost of the trip by player works out at £200.00 then it must be made clear that each player needs to raise that amount, if that player brings in £25.00 in sponsorship for a penalty shoot-out then this is deducted from his cost of £200.00. If 10 boys attend a bag-pack and £500.00 is raised then each is attributed with £50.00 and a consequent reduction is made from their total. If any player chooses not to participate in fund raising, they can pay their costs in full.
10. It needs to be made clear to all, that at the specified time for final payment to the tour operator, all individual targets need to have been reached, otherwise outstanding amounts need to be paid in full.
11. If players fall short in their fund raising amounts then they will pay the balance. If this is not possible, the player's situation will be referred to the sub-committee for final decision.
12. All monies paid to the Club via the normal methods on Thursday evenings using the appropriate documentation should be identified as tour payments and should be made clear if it is "Fund Raising" money or payments from Parents, players or supporters towards cost of their trip.
13. Regular finance meeting need to be held between Sub-committee and Treasurer to agree all monies in "Tour Fund"
14. All interim invoices and final invoices must be addressed to Brownhills Community Colts and not any individual.
15. A final list of all individuals, players and families must be submitted to the Club General Secretary before setting off on the trip, also contact sheet needs to be filled in by everyone.
16. It is advisable to fill in an E111 form, obtained from the Post Office.
17. Parents not accompanying their child on tour should sign a consent form to agree to medical treatment if required and any additional costs incurred to club while on tour.
18. All travel documents ie Passport, E111 should be checked by Team / Club officials at least 4 weeks prior to the visit to enable any rectification to be made in time for the departure.
19. Most Tour operators offer insurance packages, which are an extra cost to the individuals. The Club make no provision for Individual insurance for injury or loss and all participants should be aware of this and If required advised to take out their own insurance cover as they feel necessary.
20. Club officials organising the tour must ensure they have adequate numbers of nominated helpers who have undergone the relevant CRB checks and have participated in the Football Child Protection Course. Also First aiders are required to be nominated with the appropriate training qualifications.
